CROWN HOMES, MASTER BUILDER presents their first luxury home in the Spring Lake market!

With several hundred successfully completed homes (and satisfied clients) throughout New Jersey, this award winning company offers the savvy new home buyer an opportunity to enjoy the lifestyle of Spring Lake. They chose 401 Mercer Avenue, as a nearly perfect location, with a spacious, corner property just steps to downtown, the lake, park and train station. The goal was to offer a large, estate style residence, at a very competitive price, within walking distance to the beach-- in one of the Eastern Seaboard's most popular and prestigious resort communities. Spring Lake is always at the top of everyone's wish list for year round or vacation living. With multiple parks and peaceful lakes, surrounding a quaint center of town, the lifestyle is like no other available in New Jersey. It's proximity to shopping, restaurants, transportation, great schools, New York and Philadelphia enhance this area's desirability and dependable resale value.
